

**Name** Ian Philip Rive

**Do you wish to speak in support of your submission at the hearing?** No

**Do you agree with our preferred option or do you support another option?**

**Drinking water meters**

- Spread over 3 years – our preferred option
- All in 1 year
- Don't install meters

**Let us know why**

**Elderly Persons Housing**

- Self-sustaining in 2 years – our preferred option
- Self-sustaining in 7 years
- Status quo – inflationary rent increases + general rate

**Let us know why**

**What do you think about our plans for our other projects and activities? Any other comments?**

My main concerns would be to remove all U-shaped gutters, they are dangerous, ineffective in heavy rain as leaves and rubbish block the water flow and cars drivers find it difficult to park close to the kerb. Street signage is seriously lacking, particularly where power/phone lines have been put underground. Finally Allens Rd between Harrison St and Racecourse Rd is very uneven and with increasing heavy traffic won't improve any time soon. Thank you
