

**Submission to Ashburton District Council
on Long Term Plan re: location of second
Ashburton Bridge**

I do NOT agree with a bridge going
through Chalmers Ave.

I would support a bridge going through
West Street - Melcombe or Archibald St.
and making a four-lane highway
all the way through Ashburton.

There are far too many families
being affected by a redirection
through Chalmers Ave. -

Keep it simple!

Two lanes North
Two lanes South.

Straight Through.

NZTA to fund 100%.
