**Your Details**

Full Name: Thomas Currie

**Do you agree with our preferred option or do you support another option?**

Drinking water meters: Spread over 3 years - Our preferred option

Let us know why: At least three years or more,there is a concern that these meters are being installed so that more water rights can be sold

Elderly Persons Housing: Self sustaining in 7 years

Let us know why:

What do you think about our plans for our other projects and activities?: The rates increase will cause higher rental prices and flow on effects will be negative for the community as less people will want to live here new Zealands cost of living is already unproportional to wage increases
