Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? :	No
Why / Why not?:	
If so, what should we do less of?:	
<b>2</b>	
Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs?:	No
Why / why not?:	I don't believe the roads are in a bad state of repair, it's been a challenging year for roading repairs and most areas have been brought back to a good standard. People will always complain about the state of the roads, even if they were driving on pristine roads they would complain!
