

Do you wish to speak in support of your submission at the hearing?:	No
I intend to present:	Virtually
Your Details	
First Name:	Christine
Last Name:	Moore
Organisation:

Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? :	No
Why / Why not?:	Speaking specifically about our new library once it is finished, I hope it is open considerably longer over the weekend than it is at present. I also think a volunteer system should be used to help this happen as I'm sure a number of jobs could be done by volunteers (I would like to a part of this) and still not impinge on the paid employees.
If so, what should we do less of?:	Nothing.

Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs?:	Yes
Why / why not?:	Makes sense.
