Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? :	No
Why / Why not?:	There needs to be better ways to improve efficiency. Improve productivity by streamlining processes, reducing bureaucracy. Acknowledging that some of the box ticking is to comply with central government regulation, but there must be more efficient ways of doing things in local policy to maintain output and quality. NZ has a low productivity, over bureaucratic workforce that needs to be streamlined.
If so, what should we do less of?:
