

**Submission to Ashburton District Council
on Long Term Plan re: location of second
Ashburton Bridge**

Trusting in your consideration, but I strongly urge either
a ringroad, outside of the immediate central town & down
Melcombe Street through to the/past the ~~four mills~~ Biograins.

Definitely not down Chalmers Ave.

Bridge via/past Biograins & Melcombe St, should of been done
instead of town upgrade, which many ~~may~~ consider total waste
of rate payers monies.
