What do you think about our plans for our other projects and activities?: Upkeep of the Mt Somers cemetery and village green needs improving. Currently there is too much time between mowing, meaning the grass is getting out of control and once mown, there is excessive lengths left behind. Suggest a townsperson for Mt Somers is employed - there is currently a caretaker at the Mt Somers camp ground who also cleans the public toilets for the Reserve Board and those at the Domain and fire station each day. Suggest a lawn mower is purchased and mowing of the green spaces in Mt Somers is added to her responsibilities. Wouldn't need to be full time, rather just a few extra hours to keep the town tidy.
