

Your Details	
First Name:	Don
Last Name:	Young
1	
Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? :	No
Why / Why not?:	
If so, what should we do less of?:	
2	
Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs?:	Yes
Why / why not?:	Pay the money and repair our roads properly the first time. Road cones and crumbling low grade fillers do not cut it!
3	
General comments:	Consultation is fine if the public input is enacted upon. Classic example is the 2nd bridge. Council decided, then consulted the ratepayers, ignored their majority decision on the most sensible and practical site. Post decision consultation is a token gesture and a box ticking farce.
