

Your Details	
First Name:	Malcolm
Last Name:	Nell
1	
Do you think we should decrease our day-to-day levels of service to reduce the average rate increase? :	No
Why / Why not?:	We need to Maintain our district being smart about spending and grow when things are going good
If so, what should we do less of?:	Do the basics well.. drinking water.. sewage..roading.. Beatification and taking on new building projects should be done with spare cash only
2	
Do you agree with using \$1.7 million from our forestry reserve to pay for major roading repairs?:	Yes
Why / why not?:	Forestry is a rainy day reserve.. and our roads and BRIDGES are in need of....lots Make sure part of the plan is to replant and regrow more... IT will rain again..

General comments:	Thank you to the team that is looking after our community assets. BUT. We have some part of the roading system that is not standing up to todays traffic loads.. Who is responsible and overseeing this, \$1.7M will Disappear if the work is not carried out to a higher standard .
