

Submission to Ashburton District Council  
on Long Term Plan re: location of second  
Ashburton Bridge

My family lives at 21 Aitken Street  
Ashburton with many young and  
elderly householders round us who  
will be affected by the Chalmers  
Avenue / Tinwald East, second Ashburton  
River bridge-site proposal. Vehicle  
traffic in our CBD neighbourhood is  
already steady and with the schools  
and early pre-school centres a West  
Street to Tinwald-sited River bridge  
seems a much better location.

Thank-you.

ANITA McROSE.
