What do you think about our plans for our other projects and activities?:

Request we become a camper friendly town by building a day-time camper parking lot. Suggest this would ideally be located on the railway land on West St opposite the Art Gallery. From a campervan point of view, this would be ideal as those who wanted to go shopping could head into the center of town, while the children could be taken for a run in the domain. This location is also perfectly located for tourists to use the art gallery.
